

## Computerisation range IP mobile workstations

As part of the computerisation of nursing wards, PRATICIMA proposes you different models of mobile workstations for laptop, panel PC or screen with central unit.

Our stations are **ultra light, very handy**, and offer a real comfort of use. Retrospectively **configurable and modular**, they evolve according to needs of health professionals.

Non-contractual photo

### Advantages

- ▶ Adjustable height of working surface by gas cylinder : sitting and standing position
- ▶ Standard rail adjustable over the entire height
- ▶ Many accessories available
- ▶ Smooth work surfaces without gaps for easy cleaning
- ▶ Resistant to hospital disinfection products

### Optional accessories

#### Standard rail and compatible accessories

Standard rail fixed on front or back of the column  
Ref. 8E480

Large lateral basket  
Ref. 28061N.GR

Small lateral basket  
Ref. 28062N.GR

Storage bin  
Ref. 28063N.GR

3-sockets block  
Ref. 28403

Battery holder  
Ref. 2C000

3 compartment document holder  
Ref. 28011N

#### Other accessories

Barcode reader holder  
Ref. 8E473

Mouse holder  
Ref. 8E472

Antiseptic support  
Ref. 8E478

UC support  
Ref. 8E471

Horizontal power supply support  
Ref. 8E475

Small cable hook  
Ref. 8E479

Additional shelf  
Ref. 8E482

Keyboard drawer with right or left mouse holder  
(incompatible with the 8EIP100 station)  
Ref. 8E483

Laptop antitheft cable with key  
Ref. 8E102

Laptop antitheft cable with code  
Ref. 8E103

Key for antitheft cable  
Ref. 8E104
